

# KEP LODGE

## Welcome to our Restaurant and Bar

With the idyllic location just below the Kep National Park, but not far from the sea, we offer you not only tranquility, peacefulness and a sweeping view over the gulf of Thailand, we also do our best to cater you with appetizing Khmer and Western cuisine and a selection of stimulating cocktails.

Our dishes are made from fresh ingredients and most of our meat comes from the quality butcher DNAK in Phnom Penh or from the local market, carefully selected. So the preparation of your meal can take sometimes a bit longer, specially during peak hours. We kindly ask for your understanding. Thank you.

Do not hesitate to ask us any questions, or should you have any comments or special wishes, tell us and we will try our best to realize them.

If you want to know something about Kep and its surroundings, we are happy to pass on our extensive information and knowledge.

So please sit back, relax and enjoy your time at the Kep Lodge!

Your host, Dan Kreis
