

KEP LODGE

Welcome to our Restaurant and Bar

With the idyllic location just below the Kep National Park, but not far from the sea, we offer you not only tranquility, peacefulness and a sweeping view over the gulf of Thailand, we also do our best to cater you with appetizing Khmer and Western cuisine and a selection of stimulating cocktails.

Our dishes are made from fresh ingredients and most of our meat comes from the quality butcher Dan Meats in Phnom Penh.

Do not hesitate to ask us any questions, or should you have any comments or special wishes, tell us and we will try our best to realize them.

If you want to know something about Kep and its surroundings, we are happy to pass on information and knowledge.

So, sit back, relax and enjoy your time at the Kep Lodge!

Cheang & Dan Kreis

PS: Our dogs are very friendly but please do not feed them – they get enough food from us.
